

Pastor's Bible Study - Romans 14:13-23

Maybe You Shouldn't

"In Christ, you can do whatever you want; but if you're in Christ, you won't want to."

1. STOP TRIPPING

"When your heart is to advance the Gospel, you're more _____ about your _____ than your weekend."

2. STOP SIPPING

"Just because you can drink a _____ or _____ an argument doesn't mean you should do either."

3. STOP SLIPPING

"If you're right about being _____, then you're still _____, but if you're wrong about being right, you lost the fight."

"The Kingdom doesn't need more critics: it needs more Christians who are confident in their calling, committed to unity, and consumed with love."
